Grandpa's story

Last night, Grandpa told me a story. The main characters are a cat and a little bird. The cat was lazy. He slept all day. The bird worked hard. Every day, she flew far and collected food for her babies. One day, it rained a lot. The cat was hungry, but the bird and her babies had a lot of food. They sang beautifully in their nest. I like the story because the bird is clever and kind.

- The writer likes the bird in the story.
- The cat worked hard.
- The bird collected food for her babies.
- The babies were hungry when it rained.
